# A WARM WELCOME

## Location / Parking

Located directly on Lake Zurich, the 4-star superior Romantik Seehotel Sonne is just a 12-minute drive or train ride from the city center and is the ideal starting point for relaxation, long walks in the Küsnachter Tobel or shopping and cultural excursions to Zurich.

Travelling by train is recommended, as there are only 18 hotel parking spaces available to our guests in front of the hotel.

## Room

All 40 rooms offer plenty of charm from times gone by, combined with modern design and comfort. The old building fabric and fine materials complement each other in every room. The Basic and Comfort rooms are the best choice for price-conscious guests. The superior and deluxe rooms offer plenty of space and an unobstructed view of Lake Zurich. If you want something unique: Treat yourself to one of the three spacious junior suites in the tower. With the most impressive lake panorama and plenty of peace and quiet.

## Restaurant

At the Romantik Seehotel Sonne, our guests can choose between our elegant Sonnengalerie restaurant with terrace, where international dishes and fish from local waters are served, or the cozy dining rooms Gaststube with rustic flair, where Swiss dishes and wines from the region are presented.

The Turmbar is a popular meeting place for locals and hotel guests. Whether you come by for a beer or a glass of wine - we will welcome you with the right recommendation.

## Seminars

Our historic rooms with state-of-the-art technology provide the perfect setting for organizing a creative and successful meeting. In addition to 2 group rooms, the Turmsaal with 50m<sup>2</sup> and the Festsaal with 190m<sup>2</sup> are at your disposal. All rooms have natural daylight and are air-conditioned. You also benefit from an environment that offers you almost endless possibilities for an exciting supporting program.

At the end of your seminar, our garden, the Seewiese or the hotel bar are at your disposal for a farewell aperitif.

## Banquets / Events

Are you dreaming of a royal reception? Or a celebration in a magnificent setting? An event with a grandiose staging? Whatever you have in mind, we can help you realize your vision.
